FARMHOUSES

THIS IS THE
PROMISE YOU
MADE TO
YOURSELF.

It's the farmhouse you've built, day after day, month after month, in your thoughts, a mélange of your childhood, and your favourite vacations. A dream home that exists far from civilization, yet close to everything you love.

All of this, held together not by brick and mortar, but by dreams and desires.

THE FARMHOUSES · THE FARMHOUSES

WHAT IS SIMPLICITY?

It is something a child is surrounded by, but does not understand.
And that as an adult, they will spend the rest of their life pursuing.

It is the rustle of leaves. The softness of grass.
The chirping of birds at day, and of crickets at dusk.

To gaze up at the night sky and name the many stars.
To catch the occasional shooting star... and make a wish.

SURROUND YOURSELF WITH THINGS THAT MAKE YOU HAPPY.

Surround yourself with those you love.
Both those who walked on two legs, and on four.
And those who don't walk at all,
eschewing legs for wings and fins.

The simplest pleasures of life are also the best pleasures of life.

Like mornings spent in bed... and afternoons spent in hammocks.

Like mouth-watering scents from a little barbecue wafting through the air,
as you pluck berries in your backyard garden.
